CERTIFICATION OF ELLEN  
BARNEY BALINT IN SUPPORT OF  
MOTION ON CONSENT FOR  
SECOND EXTENSION OF TIME TO  
FILE PETITIONER'S BRIEF &  
APPENDIX

Ellen Barney Balint, of full age, certifies as true under  
penalty of perjury:

1. I am a Deputy Attorney General for the New Jersey  
Division of Law and am duly admitted to practice law before this  
Court. I am assigned to the Environmental Permitting and  
Counseling Section, which represents Petitioner, New Jersey

Department of Environmental Protection. This Certification is submitted in support of Petitioner's request for a thirty-day extension of time in which to file their brief.

2. I have discussed the circumstances necessitating Petitioner's current request for a 30-day extension of time with counsel for both Respondents. Senior Attorney Charles E. Mullins consented to Petitioner's current request on behalf of Respondent U.S. Nuclear Regulatory Commission and the U.S. Department of Justice. Likewise, Brad Fagg, Esquire, of Morgan, Lewis & Bockius, L.L.P., provided his consent on behalf of Respondent AmerGen Energy Company, L.L.C.

3. Petitioner's Petition for Review was filed on or about April 24, 2007.

4. This Court docketed this appeal on June 22, 2007.

5. On June 22, 2007, the Clerk of the Court entered a Briefing and Scheduling Order requiring Petitioner's to file their brief on or before August 1, 2007.

6. The two attorneys in this office who are primarily responsible for handling this matter are Senior Deputy Attorney General (SDAG) John A. Covino, and Deputy Attorney General (DAG) Valerie Anne Gray. SDAG Covino and DAG Gray have been jointly responsible this matter from its earliest stages and are intimately familiar with the facts and legal issues involved.

7. On July 24, 2007, SDAG Covino moved for a 21-day extension of time to file Petitioner's Brief and Appendix. This first request for an extension was based on: (a) the complex and important policy issues involved; (b) the limited availability of SDAG Covino due to his supervisory responsibilities and of DAG Gray due to her recent return from extended disability leave; and (c) anticipated time required to conduct "internal review at levels above the normal supervisory review of draft briefs conducted within the Division of Law". (See July 24, 2007 Certification of John A. Covino, par. 2, 3 and 4).

8. On August 8, 2007, the Clerk of this Court entered an Order extending Petitioner's time to file its brief to August 22, 2007.

9. In anticipation of previously scheduled vacations which both began on August 11, 2007, SDAG Covino and DAG Gray worked long hours to prepare for internal review a draft of Petitioner's Brief by August 10, 2007. SDAG Covino is not scheduled to return to the office until after the August 22, 2007 due date, and DAG Gray is not scheduled to return from vacation until August 21, 2007. The anticipation was that the minor revisions normally involved in internal review could be handled by another attorney with nominal knowledge of the case. DAG Gray would then have been able to finalize the brief and supervise its service upon her return.

10. Due to the significance of the nuclear safety issues involved to public policy, the level of supervisory/review participation in this matter is greater than anticipated. As indicated previously in the July 24, 2007, Certification of DAG Covino, Petitioner's brief in this matter must undergo high-level review prior to this office having authority to file it.

11. Unfortunately, as the draft brief has gone through the anticipated review process, there are more revisions requested than originally anticipated.

12. Given that both SDAG Covino and DAG Gray are on vacation during almost all of the remaining time before the current deadline for submitting of the brief, and due to the amount of time which will be necessary to properly incorporate the supervisory revisions into the brief, it will not be possible to complete the brief, and receive authorization to file within the current deadline.

13. The above-described events were not foreseen at the time that Petitioner's first request for an extension was filed.
