SUBJECT: RESPONSE TO 14 DAY NOTIFICATION
LICENSE NUMBER 04-27745-01

By letter dated September 7, 2007, you provided notification to this office that you would initiate certain activities under the subject license at China Lake Naval Air Warfare Center, China Lake, California. The Navy has proprietary jurisdiction at China Lake. Proprietary jurisdiction is a term applied to those instances wherein the Federal government has acquired some right of title to an area in a State, but has not obtained any measure of the State's authority over the area. Therefore, your activities should be conducted under your California radioactive materials license in lieu of your NRC radioactive materials license.

If you have any questions regarding this matter, please contact me at (817) 276-6552.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC document system (ADAMS). ADAMS is accessible from the NRC Web site at:
<http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script, reading "Rachel S. Browder", is written over a horizontal line.
