<p>Name of Licensee: Bryn Mawr College</p> <p>Name of Participant(s): Donald Abramowitz, CIH, Proposed RSO</p> <p>Telephone No. 610-526-5166</p> <p>Subject: RAI, Experience with materials <small>(NOTE: This will be used as the Documents Title in ADAMS)</small></p>		
<p>Summary: I asked Mr. Abramowitz if he has ever had experience using radioactive materials. He stated that he had used some material in college but had not had much experience. He said that he didn't proposed to be an authorized user. He knew the difference between being and authorized user and the Radiation Safety Officer. He then told me that he planned on adding a couple of authorized users to the license after he became RSO. I requested that he send in the candidates at this time so that only one amendment would be done.</p>		
<p>Action Required: Mr. Abramowitz will send in the information on the candidates for authorized users.</p>
