Subject: Uranium Recovery GEIS

To Whom It May Concern:

I am writing to oppose Geis. I took the time to delete the form letter to tell you directly that I am opposed to any legislation, process that will limit my input on my right to live in a clean environment. The owners of these mines can afford to live away from the toxic environments they leave behind, we cannot. We don't even have a voice about those environments if you take that process away. Please don't do this!

Sincerely,
Karen Lee Thompson
