Docket No.: 03037497

Tom, in your letter you requested a possession limit of 30 millicuries for Ca-45; this amount would require financial assurance in the amount of \$750,000; you may have less than or equal to 10 millicuries of Ca-45 without the need for financial assurance. Please confirm that you will only possess less than or equal to 10 mCi of Ca-45 or submit the information necessary for financial assurance for decommissioning (call me if this is the case).
