Please be advised we have changed storage locations as indicated below:

Please remove the location noted below:

Viking Self Storage – Unit #36
421 West National Avenue
West Terre Haute, IN 47885

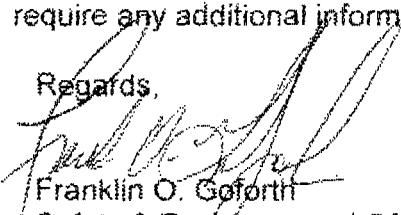

We have no reports or notes of incidents that would result in exposure to members of the public from a sealed source stored at this location. For information purposes the sealed source stored at this location will be relocated to the Old Bridge New Jersey location already named on our license.

Please add the following location:

Gary Ralston - Employee Home
1753 East Gings Road
Rushville, IN 46173

The portable gauge travels frequently with the user but when not in use is stored in a secured location within the employee home. Please advise if you require any additional information.
