**Subject:** Uranium Recovery, NO TO GEIS!

To Whom It May Concern,

I am begging you not to ruin our water in the name of profit or the need for energy.

Water is one of our most precious commodities in Colorado and no one has the right to play fast and loose with it. Many of us are doing our part to keep our air and water clean and pure. Mining Uranium is both irresponsible and selfish on your part. If you are here to represent the people of our country please put your morals above the potential for monetary gain. Stop the mining of Uranium in and around Nunn!

Thank you,  
Elizabeth Hudetz
