Ken:

Attached is an Excel spreadsheet that contains the sections of the Plant Vogtle Early Site Permit Draft EIS that you are assigned to review. A copy of the DEIS will be available on the EARRTH site on Monday, June 18. A hardcopy of the sections will be provided to you if you would rather have that. Please contact Laura Quinn on x2220 to request a hardcopy of your assigned sections. The writing session is scheduled for the week of July 16 in Richland, WA and you will be scheduled to meet with the applicable author(s) and incorporate your comments. I will provide further info on the writing session logistics as they become available.

I appreciate your help on this DEIS. Let me know if there's any questions concerning the sections you are to review or if there's anything else I can do for you.
