Hi Mike,

Is this what you were thinking for driving directions for Vogtle? Let me know what changes you want, or if it's what you want, feel free to send it on to Mark (I can do that if you'd rather). I also have maps of Sigma 2, 3 and 5 identifying conference rooms that we can have available at the opening meeting.

Map from airport to PNNL

From the Pasco airport, go south on Road 20 to the I-182 onramp. Go west on I-182, cross the Columbia River, and take the George Washington (GW) Way exit into Richland. Go north on GW Way for about 4 miles. When you see 7-11 on your left, and Hanford High School soon thereafter on your right, you are almost there. Follow GW Way up the hill and take a left on Battelle Blvd followed by a right on Q Ave. Park in front of the ETB Building, and get your badge in the badging office found in the hallway to the right as you enter the lobby.

Please pick up your badges in ETB (see on map inset above) prior to 2:00 p.m.

We will be holding our writing meetings for Vogtle in PNNL's Sigma buildings, located directly across George Washington Way (East) from the ETB building where you get your badge (see map below). We will gather in the Sigma 2 Steelhead room (room 205) at 2:00 p.m. for our initial meeting. (Sigma 2 sits behind the Sigma 1 and 4 buildings, which face GW Way.) Please call the conference room at 372-6287, and someone will come let you into the building.
