I'm not sure to whom this response should go, since I wasn't in the office on Friday. So, I'm doing a blanket mailing to all who received the Table 4-2 response. The reference is:

Falls, W.F. and D.C. Powell. Stratigraphy and depositional environments of sediments from five cores from Screven and Burke Counties, Georgia, US Geological Survey Professional Paper 1603-A, 2001, p.A3.

(note, this reference appears in the reference list for Section 2.4.12 of the SSAR, Rev.2)

Best regards, Charley
