Mark, Here's the list of e-mail boxes needed for the comment capture application:

VOGTLE_EIS@nrc.gov - this one is already set up and is to be used by the public to submit comments

Vogtle_EIS_Comments@nrc.gov - this needs to be set up (Laura knows what to do). It will be used by you and will receive the comments that you forward from the public e-mail box. The application processes from this e-mail box.

Vogtle_EIS_Comments_Processed@nrc.gov	These three need to be set up and will be used for processing and reporting by the application. They are the 'proxy' mailboxes. You will be the owner and should provide proxy rights to: Laura; Christine; tpr@nrc.gov ; sar2@nrc.gov ; cmg3@nrc.gov ; mxi1@nrc.gov ; and anyone else you think deserving.
