When is the draft expected to be delivered to EPA?? **Friday, September 7, 2007**

When does the public comment period begin and end?? **Friday, September 14 through Wednesday, November 28, 2007**

And it is a 75-day comment period, correct? **Correct**

Vogtle does have a site redress plan, correct?? that we found in the EIS to be satisfactory so that I can state in the hot topic "staff concluded that the site preparation and preliminary construction activities allowed by 10 CFR 50.10(e)(1) will not result in any significant adverse environmental impacts that cannot be redressed." **The site redress plan in Rev 2 of the ER was found to be satisfactory by the staff.**

Thanks for the info.
Laura
