Subject: Next activities for Vogtle

After we get the DEIS to EPA next week, the following activities need to be completed for the Vogtle ESP project:

- arrange for the court reporter for the public comment meeting. We need this person from 5:00 pm until 11:00 pm on Thursday, October 4 at the Augusta Technical College, Waynesboro Campus auditorium.
- review and pack the posters and handout materials for the meeting.
- get any new posters done. We need posters for the public comment meeting and one which announces the availability of a court reporter to take comments prior to the formal meeting.
- organize the materials that we need for the registration desk at the meeting and pack meeting feedback forms.
- complete the slides and scripts for the presentations at the meeting. I would like to have a dry run of the presentations the week of 9/24/07.
- get copies of the DEIS to PNNL, the Burke County Library, DRNL staff (Christian Araguas, Stephanie Coffin, Tom Bergman, and Dave Matthews), appropriate NRO staff (DSER environmental BCs, RHEB and RSAC BC, Vogtle technical reviewers, Jim Lyons, Niles Chokshi) and anyone else I may have forgotten.
- get the Public Meeting Announcement done and to the FR folks by September 19, 2007

Let's get together Wednesday or Thursday of next week to talk about dividing up and assigning these tasks.
Thanks,

Mark
