The problem is not that it has been "created" the problem is the mailbox named Vogtle_EIS_Comments@nrc.gov must be a "stand alone" mailbox. Please if you have any questions you can contact Tom Ryan by email not sure of his phone number because he knows what is needed better than me.

Thanks

Laura

Please provide the requested service for the following user:

Name: Laura Quinn
LanID: LMQ1
Phone: 301-415-2220
Room Number: T6-A1F
Organization: NRO/DSER/RAP2

I asked to have 4 mailboxes set up last week and one needed to be a stand alone mailbox. The request from last week ref numbers are 248357 248359 248360 248361. The email mailbox named Vogtle_EIS_Comments@nrc.gov is the one mailbox that needs to be stand alone. This is a very fast turn around so that the email is fixed for tomorrow for us to test the system b/c it must be up and running for Friday's comment period for the public. Thanks and if you have any questions please call me.
