There were two posters needed. One is the Meeting poster itself and we need two copies of it. It is attached and named Meeting Poster for Vogtle DEIS 2 LMQ. And there is a poster needed for the open house session and we need two copies/posters of it also. That file is also attached (Open house session meeting poster ...) If you have any other questions please let me know. The posters are not needed until next Monday or Tuesday since they are shipped to the meeting but not used but the flyers are shipped to be displayed in the local community two weeks before the meeting.
Thanks again
Laura
