

October 2, 2007

Mr. C. Lee Lintecum, Administrator
County of Louisa
P.O. Box 160
Louisa, VA 23093

Dear Mr. Lintecum:

On behalf of the staff of the U.S. Nuclear Regulatory Commission (NRC), I would like to invite you to a meeting of local government officials to discuss the role that the NRC will play in the anticipated review of the Dominion application for a combined license for the proposed North Anna Unit 3 nuclear plant. The meeting of government officials will be at the Louisa County Administration Building in Louisa, VA from 2:00-4:00 p.m. on October 24, 2007.

We have invited local officials from Louisa County, Caroline County, Hanover County, Orange County, Spotsylvania County, the Town of Louisa, and the Town of Mineral. In addition, we have invited State officials from the Virginia Department of Emergency Management and Bureau of Radiological Health. At the meeting, we will discuss the NRC's regulatory process for new reactors with focus on the safety and environmental review processes. We hope to have an interactive meeting and will entertain any questions or comments that you may have.

Also, on October 24, 2007, we will hold a public meeting on this topic at the Louisa Middle School in Mineral, VA from 6:00-9:30 p.m. The notice of this meeting is posted on the NRC's public website.

Sincerely,

/RA/

Thomas A. Kevern, Sr. Project Manager
ESBWR/ABWR Projects Branch 1
Division of New Reactor Licensing
Office of New Reactors

Project No. 741
