MEMORANDUM TO: Luis A. Reyes  
Executive Director for Operations

FROM: Annette L. Vietti-Cook, Secretary **/RA/**

SUBJECT: STAFF REQUIREMENTS - COMGBJ-07-0004 - MULTINATIONAL  
DESIGN EVALUATION PROGRAM (MDEP) STAGE 2  
CONCLUSIONS AND RECOMMENDATIONS

The Commission has disapproved the proposal of Commissioner Jaczko to have the staff submit a voting paper to the Commission that outlines the goals, expectations, and resource requirements of a Stage 2, Phase 2 effort prior to the October MDEP meeting. Instead, the staff should proceed with the overall process and approach described in the Staff Requirements Memorandum (SRM) to SECY-06-0192 and provide a paper to the Commission in November that will have the benefit of the Technical Steering Committee's discussions.

Prior to authorizing any Stage 2 Phase 2 activities, the Commission will require greater development of the specific proposals, expected benefits, and anticipated resource commitments.
