Dear Mr. Stevens:

The Illinois Emergency Management Agency is missing a quarterly transfer report from Intergrated Industrial Systems. The report would cover transfer of generally licensed devices to customers in Illinois in the second quarter of 2007.

We would be grateful if you would furnish a transfer report for the calendar quarter identified above.

The Illinois Emergency Management Agency hereby requests a transfer report from Intergrated Industrial Systems every calendar quarter. *We request a report whether or not you transferred a generally licensed product to an Illinois customer in the quarter covered by the report.*

We appreciate your cooperation in keeping the Illinois Emergency Management Agency informed of the status of generally licensed radioactive material in Illinois.

Sincerely,

Mike Ewan
