WESTINGHOUSE ELECTRIC COMPANY DOCKET NO. 70-1151**

Dear Mr. Alstadt:

This letter confirms the telephone conversation between Mr. Marc Rosser of your staff and Mr. Daniel Rich of this office on June 4, 2008, concerning a pre-decisional enforcement conference. This meeting is being conducted at your request, and is scheduled for July 9, 2008, at 9:30 a.m. (EDT). The meeting notice, which provides additional details, is enclosed. The purpose of the meeting is to discuss the apparent violations associated with the unauthorized removal of several P-10 vials of uranium hexafluoride from a controlled area on February 4, 2008. The apparent violations were discussed in NRC Inspection Report 70-1151/2008-002. The location of the conference will be at the NRC Region II Office, Sam Nunn Atlanta Federal Center, 61 Forsyth Street, S.W., Suite 23T85, Atlanta, Georgia. This will be a Category 1 meeting in which the public is invited to observe and will have the opportunity to communicate with the NRC staff after the business portion, but before the meeting is adjourned, as per the NRC policy statement "Enhancing Public Participation in NRC Meetings," published in the Federal Register: May 28, 2002 (Volume 67, Number 102, Page 36920-36924).

Interested members of the public should contact the meeting coordinators Mr. Daniel Rich at (404) 562-4721, or Mr. Richard Gibson at (404) 562-4718, indicating their intention to attend by July 3, 2008. This will ensure that sufficient copies of meeting materials are available. Because meetings are sometimes canceled as a result of unforeseen circumstances, members of the public should contact a coordinator at the number shown above to confirm that these meetings will occur as scheduled.

C. Alstadt
