This letter provides notice to the U.S. Nuclear Regulatory Commission (NRC) that I have been duly appointed President and Chief Executive Officer of Global Nuclear Fuel, LLC, managing affiliate of Global Nuclear Fuel-Americas, LLC (GNF-A), succeeding Mr. John D. Fuller, effective June 23, 2008, and, as such, am also assuming the role and responsibilities of GNF-A Facility Manager as defined in Chapter 2 of NRC license SNM-1097.

In the near future, GNF-A will be submitting to the NRC a modification to Figure 2.1 and appropriate text in Chapter 2 of license SNM-1097 to update the organizational structure described therein.

If there are any questions regarding this change, please do not hesitate to contact Scott Murray at 910-675-5950 or me.

Sincerely,

A handwritten signature in blue ink that reads 'Lisa M. Price'.
