Leigh, John,

While at the Chairman's briefing for today's Commission Meeting on Safety Culture, Tom Hipschman approached me about Chairman Jaczko's visit to Oconee on June 23. Tom clarified that the Chairman is not looking for a tour of the facility but a tour of the Jocassee Dam and to discuss the potential impacts to the facility. The Chairman is looking to see the issue first hand.

Note that the visit will be the afternoon of June 23rd. The Chairman will be speaking to the reactor operators society in the morning.

Note that Tom also informed Jim Wiggins.

Thank you.
Diana
