Subject: Request for Exemption from a Criticality Monitory System

Reference: Passport Systems, Inc. Request for SNM License for DHS testing dated November 5,
2010

Attachment: (A) Passport Systems, Inc. Request for Exemption from a Criticality Monitory System

Dear Sir or Madam:

As a follow up to our discussions with representatives from The United States Nuclear Regulatory Commission (NRC) and The Department of Homeland Security, Passport Systems, Inc. hereby submits for your review the attached additional information (original + one copy) in connection with our reference November 5, 2010 license request.

Please do not hesitate to contact our Radiation Safety Officer, Dr. Steve Korbly at (978) 263-9900, ext. 2206 or Radiation Safety Consultant, F.X. Massé Associates, at (978) 283-4888 if further information is required.

Yours truly,

A handwritten signature in black ink, appearing to read "Paul H. Johnson", is written over a horizontal line.

Paul H. Johnson
Vice President
Contracts and Administration
Passport Systems, Inc.

Cc: S. Korbly, Radiation Safety Officer
Passport Systems, Inc.
