Subject: Re: Your recent telephone call regarding a FOIA request

I hereby request pursuant to the Federal Freedom of Information Act (FOIA) that I be provided with the computer file(s) of your agency which contain the following information:

- 1) The full name (not merely initials);
- 2) Official title;
- 3) The Department/Division;
- 4) Salary;
- 5) Voice Telephone Numbers (including cell telephones);
- 6) Fax Telephone number;
- 7) Physical work location including physical generic (123 Main St) address which includes suite, floor, or other designation;
- 8) EMAIL address;
- 9) Any other information which is contained in the computer file(s) which have the other 7 items which is not specifically exempt pursuant to any federal or state statute.

I hereby further certify and state that I am an investigative journalist working on something in which I need this information as part of an on going investigation. I have previously requested this information but for some reason your agency has not processed this request nor have told me when you will provide me such information. I do not wish paper records nor should such records be in the form of a pdf file (which is the equivalent of merely a scanned document. In other words I would like the information in a database or spreadsheet format if at all possible with the first name, middle name, last name, etc. in separate fields (columns).

Should you have any questions please contact me.

Thanks!

Wallace Nolen
