CATEGORY 3: The purpose of this type of meeting is to maximize discussions with the public to ensure that their issues and concerns are presented, understood and considered by the NRC. The NRC anticipates that the public would work with the agency to facilitate the widest exchange of information, views, concerns and suggestions with regard to license-specific or generic regulatory issues. Public participation is actively sought at this type of meeting, which has the widest participation opportunities and is specifically tailored for the public to comment and ask questions throughout the meeting.

ADDITIONAL INFORMATION: Seating is available for approximately 250 participants. The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in this meeting, or need this meeting notice or other information from the meeting in another format (e.g., Braille or larger print), please notify the NRC's meeting contact. Determination on requests for reasonable accommodations will be made on a case-by-case basis.

ENCLOSURE: Agenda

NOTE: The NRC Policy Statement, Enhancing Public Participation in NRC Meetings, effective May 28, 2002, applies to this meeting. The policy statement may be found on the NRC Web site at:
