Kennewick, WA 99338

SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE KENNEWICK  
BRANCH LIBRARY FOR THE COLUMBIA GENERATING STATION LICENSE  
RENEWAL APPLICATION

Dear Mr. Moak:

This letter is a follow-up to my email on August 18, 2011, concerning the maintenance of documents at your library for public review. These documents are related to the U.S. Nuclear Regulatory Commission's (NRC's) review of the Columbia Generating Station license renewal application. The NRC appreciates your willingness to facilitate public involvement in the license renewal process.

The NRC is now accepting comments from the public on the enclosed draft Supplemental Environmental Impact Statement and will consider any comments received in the preparation of the final SEIS. The enclosed *Federal Register* notice includes details on how to submit comments to the NRC. The deadline for comments is November 16, 2011.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at 301-415-3748 or by e-mail at [daniel.doyle@nrc.gov](mailto:daniel.doyle@nrc.gov).

Sincerely,

/RA/
