KEWAUNEE MASP Review Meeting  
Bethesda Maryland July 17, 1978

Representatives of the Wisconsin Public Service Company met with the NRR Security Plan Review Team III at Bethesda, Maryland on July 17, 1978. The attendees to this meeting were:

<u>Names</u>	<u>Organization</u>
Jack Berggren	NRC/RSLB
R. A. Clark	NRC/RSLB
Jim Creed NRC/	NRC/Region III
Carl W. Giesler	Wisconsin Public Service
J. O. Johnson	LASL
George H. Ruiter	Wisconsin Public Service
Michael Stern	Wisconsin Public Service

The NRR Security Plan Review Team Leader stated the objective of the meeting: To discuss the NRR comments on the KEWAUNEE MASP previously and informally provided to the Wisconsin Public Service Company and to arrive at a mutual understanding of the positions on each comment. The format of the meeting would be for WPS to comment on each of the NRR comments, including its acceptability, with joint discussion as necessary.

Approximately 75% of the NRR comments were discussed. The WPS representatives felt there was an understanding that would accommodate the revision of the MASP encompassing all the comments. The MASP revision documenting these discussions will be submitted near the end of August.
