

Depth of soil contours from FSAR Figure 2.5.4-212

- █ Engineered Fill
- █ Existing Fill
- Monitoring Well
- ✕ Geotechnical Boring with Packer Testing Data
- Pre-Construction Surface Contours
- Depth of Existing Fill Contours
- Bottom of Existing Fill Contour
Elevation 775 ft msl
- Surface Extent of Existing Fill

Scale: 0 to 500 FEET

North Arrow pointing towards the top right.

Key locations labeled on the map:

- Unit 3 Point of assumed release
- SCR
- FILLS
- WEATHERED ENGINEERING
- Turbine Building
- Access Bldg
- ESW Pipe Tunnel
