FOIA/PA REQUEST

Case No.: 2011-0288
Date: 7-7-11
Specialist: Christian
Related Case: _____

To the NRC FOIA team:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 *et seq* [FOIA], I request:

Access to and copies of all records -- including, but not limited to, correspondence by email or other method, reports, invoices, financial statements, meeting notes, and all other documents -- related to the cost [to the NRC and to the nuclear plant and its parent company] and hours of time necessary to provide oversight at the Diablo Canyon nuclear facility, from 2005 to present.

Please include all materials generated up to the date of the NRC's final response, and do not limit the request to only material generated prior to the date of this request. Please include all information contained in the requested material that otherwise would be considered non-responsive to the specific request. In addition, please notify me of any similar requests.

Please justify any deletions by reference to specific exemptions of the Act and release all reasonably segregable portions of all otherwise exempt material. I reserve the right to appeal any decisions.

I am a veteran journalist reporting a story for publication by a respected San Diego area news organization. My work has in the past been published by the Los Angeles Times [10 years], The San Diego Union-Tribune [10 years] and the Voice of San Diego [a respected and recognized online news outlet]. The information I've requested would improve the public understanding of government operations and oversight of a California nuclear plant. I respectfully request a waiver of fees based on those grounds.

Should my request for a fee waiver be denied, I agree to pay reasonable fees. Please contact me for authorization if the fee charge will exceed \$300.

Please contact me for any necessary clarification. Copies of the documents may be delivered electronically or by mail using the contact information below. I realize you are inundated with requests, but I nonetheless look forward to your response within the required 20 days.

Thanks very much, Liz
