SUBJECT: REQUEST FOR ENDORSEMENT OF NUCLEAR ENERGY INSTITUTE 11-02,
"CHANGE MANAGEMENT PLAN – EVALUATED FORCE-ON-FORCE
EXERCISES," REVISION 1

Dear Mr. Kline:

The purpose of this letter is to respond to your letter dated August 1, 2011, in which you requested review and U.S. Nuclear Regulatory Commission (NRC) endorsement of Nuclear Energy Institute (NEI) 11-02, "Change Management Plan – Evaluated Force-on-Force Exercises," Revision 1. The staff of the Office of Nuclear Security and Incident Response and the NRC Regional Offices have reviewed NEI 11-02, Revision 1 and are providing the technical comments within the enclosure for your consideration.

In order to retain the unique perspectives of the different commenters, the comments within the enclosure were not consolidated and represent all comments received as they may be useful when considering document modification. It is important to note that using the terms and definitions as described in Title 10 of the *Code of Federal Regulations* 73.55 will greatly enhance NRC's ability to endorse the document. My staff is available to answer any questions.

Should you or your staff have any questions, please contact Dr. Garmon West, Jr., Chief Security Training and Support Branch at (301) 415-7187.

Sincerely,

/RA/
