Mr. Czako left a message on my voice-mail on 7/22/11 at 10:54 requesting an extension to the licensee's response time in relation to my Request for Additional Information dated June 23, 2011. On the date and time specified above, I contacted Mr. Czabo to grant his request for an extension (**extended to 8/22/2011**). Mr. Czabo had questions regarding the exempt distribution license. I referred him to headquarters as the region does not process that type of license.
