Subject: Comanche Peak COL Presentation to ACRS Full Committee on 9/9/11

NRC and Luminant,

The ACRS Full Committee will have a Comanche Peak COL agenda item for its 9/9/11 meeting, from 8:30 – 10:30. The NRC (Lead PM) and Luminant will present a summary of what we have presented to-date to the US-APWR ACRS Subcommittee (i.e. Chapters 5, 8, and 10). MHI and Jeff Ciocco will be presenting the USAPWR DCD chapters during this same Committee meeting. We have requested guidance from the ACRS as to what they want presented, at what level, and what we should expect as discussion and questions. I will forward the guidance as soon as I get it.

The presentations: Luminant and I will share the 2 hours time slot with MHI and Jeff Ciocco. Luminant will present a high-level summary of the three Comanche Peak COL Chapters/status/open items - which they have presented to-date to the US-APWR ACRS Subcommittee. Then I will present a summary of the SER with Open Items that we presented to the US-APWR ACRS Subcommittee.

We request to have an NRC technical staff representative and Luminant personnel at this meeting, as possible and appropriate, for each Chapter presented. I will provide you the guidance we get from the ACRS on this high-level presentation.

Thanks,

Stephen Monarque
