RAM License No. 25-27802-01, Docket No. 030-36849

Reference: Organizational Change,

Mr. Mark Gjovig, Vice-President has left the company in pursuit of other business opportunities. Mr. Gjovig previously answered directly to Mr. Joe Eustace, President – Production Services Division of Pioneer Drilling Company. Pioneer Wireline Services, LLC is a product line within the Production Services Division. Mr. Gjovig's position and responsibilities have been divided between two managers, both of whom will administer different Regions of the Country.

Mr. Bill Bouziden, Vice-President South and Mr. Martin O'Neil, Vice-President North have assumed the responsibilities for operations management of Pioneer Wireline Services, LLC. An organizational chart identifying their individual Regions is included for your review. All of the current management have been employees of Pioneer Wireline Services for several years.

Mr. Gjovig's departure will have no effect on the management and control of radioactive materials at Pioneer Wireline Services. There will be no changes in personnel having control over the licensed activities. There will be no changes in the location, facilities, equipment or procedures that relate to the licensed program of Pioneer. The surveillance program, including surveys, personnel monitoring, and quality control outlined in the license shall remain the same. There shall be no change in any other regulatory required activities including calibrations, leak tests, inventories, personnel safety training, or other accountability provisions. Pioneer will continue to abide by all constraints, conditions, requirements and commitments of its licensed program.

Please change the mailing address where correspondence is currently being mailed (Pioneer Wireline Services, P.O. Box 1952, Williston, ND 58801, Attention Markham Gjovig). All future correspondence should be addressed to Pioneer Wireline Services, LLC, Attention: George Doggett, Director Radiation Compliance, 102 Magnate Drive, Suite 101, Lafayette, LA 70508.

Thanks and Best Regards

**After printing this label:**

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

**Warning:** Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
