Subject: Amendment Request – Use of device at a temporary job site

(NOTE: This will be used as the
Documents Title in ADAMS)

I spoke with Ms. Orellana about a letter dated July 7, 2011, where they were informing that they will be using an aerosol neutralizer that contains Kr-85 with a maximum activity of 10 mCi. I asked Ms. Orellana for the model number and manufacturer of the device. Ms. Orellana informed me that the manufacturer of the device is Isotope Products Cesio and Ekert & Ziegler with model number NER-8275. Ms. Orellana told me that she will be able to provide the copy of the manufacturer's certificate where the model is listed. I asked her to send it via fax.
