Subject: 2011-08-08 Woodlan, Comanche Peak COL Chapter 8 Phase 2 safety evaluation

Steve,

This note replies to your letter of July 25, 2011, in which you transmitted a safety evaluation (SE) with open items (OIs) for FSAR Chapter 8 of the CPNPP COLA. The letter requested that Luminant verify the staff's conclusion that the SE contains no information for which exemption from public disclosure has been sought or approved and that the SE contains no factual errors. Luminant has completed its review of the SE and concurs with the staff's conclusions. Luminant found no information in the SE for Chapter 8 for which exemption from public disclosure has been sought or approved and Luminant found no factual errors in the SE.

Thanks,

Donald R. Woodlan

Manager, Nuclear Regulatory Affairs

Luminant Power
