Voice mail on 6/30/11 from Lesa Deardorff, technologist at this facility.

LD returned the reviewers voice mail left on 6/30/11 concerning the facility being amended to add a new area of use. There are two facilities on the license, however, the amendment request did not specify which facility was being amended. LD's voice mail indicated that it was the facility located at 1102 West 32nd Street, Joplin, Missouri. End of amendment.
