(NOTE: This will be used as the
Documents Title in ADAMS)

I returned Mr. Shea's call. He confirmed that 500 uCi was sufficient for a maximum possession limit for License Condition 8.A(1). I told him I would make the administrative changes to the license as we had discussed.

I also reminded him to work on submitting the CFA documents to reflect the license change as well as a letter stating he was the new contact for TVA taking over for Kevin Casey. He stated that the additional information would be forthcoming by September 15th.

He apologized for the delay.

I thanked him for his time and ended the call.

Action Required: Issue administrative amendment.
