Re: Intent to Terminate License No. 13-24532-02

To whom it may concern:

Per our phone conversation on August 9th, 2011, with Licensing Specialist Mr. McCann and Senior Health Physicist Mr. LaFranzo, Roche is providing this intent to terminate license No. 13-24532-02.

This letter serves as our written notification of intent to terminate our license.

Please call me at (317) 521-2383 or our Radiation Safety Officer, Thomas A. Schumacher, MS, CHP, at (317) 902-9868, if we can answer any questions, or provide you with additional information on this or other matters. We look forward to working with the USNRC as we proceed toward a technically-sound, timely and efficient end to our operations involving byproduct materials.

Best Regards,
