Dear Mr. Schmitt:

It has come to our attention that the first corrected copy of your NRC Material License No. 21-32817-01MD, issued on May 15, 2011, contained an error.

The form in Subitem No. 7.I. should have been "any," instead of "liquid." Enclosed is a second corrected copy reflecting the change. In addition, please note that you still should have been able to obtain the material in Subitem No. I. in a form other than liquid, under the authorization in Subitem Nos. 6 through 9 A, inclusive.

We apologize for this error and for any inconvenience it may have caused you. If you have any questions, please contact me at (630) 829-9841. My fax number is (630) 515-1078.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script that reads "Colleen Carol Casey".
