Dear Ms. Cook:

Subject: License Number: 49-19005-01, Docket Number: 030-15192 – Kennecott Uranium Company – Sweetwater Uranium Project Fixed Gauge License – Change in Authorized User

Kennecott Uranium Company requests an amendment to License Number: 49-19005-01 to remove George Palochak, the Mill Foreman, as an authorized user under Condition 11 of the license since he has retired. Kennecott Uranium Company wishes to add Mr. James Harold Kelley (also known as Mr. Harold Kelley) as the authorized user on the license.

Mr. James Harold Kelley formerly worked for the Cordero Mining Company at the Cordero Mine and was trained to work with fixed gauges at that site. Attached please find a training certificate from Kay-Ray, Inc. for Mr. James H. Kelley. The Mr. James H. Kelley listed on the training certificate is the same individual as Harold Kelley who currently works at the Sweetwater Uranium Project. You requested this clarification in your e-mail dated Monday, August 8, 2011.

Kennecott Uranium Company wishes to thank you for the assistance that you provided in locating the copy of the training certificate in the archived files at the Commission's office in Arlington, Texas.

If you have any questions please do not hesitate to contact me.

Sincerely yours,

Oscar Paulson
Facility Supervisor
