Patrick,
Could you please respond to John on this? I am not sure why PWC is 'touchy' on this, but thought you would be best to sort this out. I can get you John's tele # if you need it.
Thanks!..... Al

Al, the last paragraph of the PWC attachment states that the report cannot be distributed to other parties without written consent of PWC. If you would like the PWC attachment to be non-publicly available, you need to request that it be withheld from the public in accordance with 10 CFR 2.390.

Please advise how you would like me to handle this attachment by either: (1) stating that it is OK for me to make the document publicly available in ADAMS; or (2) submit a request to withhold from the public in accordance with 10 CFR 2.390.

Thanks.
