Mr. Eudy,

The NEI NPOC office is located directly behind Chili's just a couple of blocks south of the NRC HQ complex on Rockville Pike (see map attached).
The entry door is along the parking lot side of Chili's and is a double glass door. Once inside the building, the elevator is to the left past the entryway. The NPOC office is on the second floor just to the right off of the elevator. I should be there well in advance of 1:00 p.m., but you can call me on my cell phone if you have any problems finding it. It takes about 10 minutes to walk from TWFN to the NPOC office. We have the large conference room so that we can project on the screen. I have it scheduled for the entire day and I plan to arrive early and work from there most of the morning.

Please confirm that you received this e-mail.

See you there,
Patricia
