

NEI requests discussing the below suggested addition to the monthly NFPA 805 FAQ public meeting agenda during the August 25, 2011 FAQ meeting:

Purpose of change: provide a status of the NFPA 805 LARs currently in the review process and communicate any potentially generic issues that may apply to subsequent submittals.

Monthly LAR Status Update:

Plant X Scheduled LAR Submittal Date:

Plant X Actual LAR Submittal Date:

Plant X LAR LIC-109 Acceptance Review Target Completion Date:

Plant X LAR LIC-109 Acceptance Review Actual Completion Date:

Plant X RAIs: # Issued, # Open, # Dispositioned

Generic RAIs:

Plant X SE Issuance Date:

Plant X Implementation Date:

Licensees would also be interested in the review hours expended versus budgeted.

The above items would be put into a tabular format similar to the pilot status sheet.
