Subject: List of Questions for Chapter Review on Aug 24

Steve, we have distilled your Aug 9 spreadsheet into the attached 41 items. This may help the reviewers and PMs in preparing for the Aug 24 chapter review. We could use the call for the reviewers to brief us on the status of these items and what actions we can take to provide the reviewers the information necessary for them to write their SE.

Thanks,

John J. Conly

COLA Project Manager
