All:

The Corps would like to set up a teleconference for representatives of the STOF, PEF, NRC and Corps and requests your participation to discuss the timeline and mechanisms for the performance and review of the cultural resource surveys, as well as mechanisms to deal with the results of the cultural resource surveys, for the proposed Levy Nuclear Plant project, particularly the transmission lines associated with the project.

The Corps has tentatively scheduled the teleconference for August 17, 2011 at 2:00 PM EDT. The Corps will set up a teleconference, and will provide a call-in number to you after we have a set date and time.

Please let me know if you can participate at the suggested date and time. If you cannot, please suggest an alternate date and time to the group.

Thanks, Don.
