Doug:

FYI, email from Elliott York below. Mr. York sent this to me in reply to a voice message I left him back in late June requesting that we discuss the letter the Seminole Tribe of Florida (STOF) sent to the Corps dated June 20, 2011 (and which I have already forwarded to you). I wanted clarification as to acceptability of the work plan from the STOF and that at this point their interest was to be able to review the survey results.

Good Afternoon Don,

I apologize for the lengthy lapse in response time regarding the Levy County Nuclear Project. I believe we are going to stand by the initial request to review the survey results rather than review the work plan leading up to the survey. We look forward to receiving the survey results on this project. If there's anything else I can do to help, don't hesitate to contact me.

Thank You,

Elliott York
