Doug and David:

Yes. I'll set up a separate conference call for Corps, NRC and EPA to start at a specific time after the call with PEF ends. I just learned from Russ Weeks that he and Jeff Lehnan of CH2MHill have started to coord and it appears that the teleconf may be either the morning of July 26 or anytime on July 28.

Don,

For the USACE/PEF meeting to discuss hydrology, can you set some time aside after the meeting for the NRC hydrologists to speak freely with the Corps and EPA?

Thanks,

Doug
