The Green Book Nonattainment Areas for Criteria Pollutants

As of 04/21/2011

Questions concerning the status of nonattainment areas, their classification and EPA policy should be directed to the appropriate [Regional Office](#). EPA [Headquarters](#) should be contacted only when the Regional Office is unable to answer a question.

Areas of the country where air pollution levels persistently exceed the national ambient air quality [standards](#) may be designated "nonattainment." To view a list of areas designated nonattainment, select one of the pollutants below:
