Subject: Response to Inspection Report 81-14

File: A-102, NRC-4, Inspection Report 81-14

Dear Mr. Keppler:

This letter is in response to Mr. Hind's letter of August 14, 1981, which transmitted Inspection Report 81-14 and which requested a schedule for the revision of Counting Room Procedures.

We have reviewed this matter and currently anticipate beginning reviews and revisions to the Counting Room Procedures by November 1, 1981. Revisions to the procedures will be prioritized with those procedures requiring the most attention receiving the first priority. We estimate this effort will be concluded by May 1, 1982.

Very truly yours,

*Larry D. Root*
