Docket No. 50-331

Gentlemen:

This is to acknowledge your letter dated February 26, 1976, informing us of the revised date of full implementation of the DAEC Fire Plan and of the interim measures that will be put into effect until the Fire Plan is fully implemented.

We have no further questions regarding this matter at this time and will followup on your actions during subsequent inspections.

Sincerely yours,

James G. Keppler
Regional Director

Re: Duane Arnold Energy Center #1

Subject: Response to letter from James Keppler to
Duane Arnold dated February 5, 1976

File: A-110b Inspection Report 75-20

Dear Mr. Keppler:

With respect to your request in the referenced letter for our interim measures to be put into effect until the DAEC Fire Plan is fully implemented, the following information is provided:

- a) Plant personnel will be assigned to a fire brigade team by May 1, 1976.
- b) By May 1, 1976 we will conduct a fire training session with the plant fire brigade.
- c) Personnel will be assigned responsibility for the coordination of a fire brigade by May 1, 1976.
- d) Criteria for various fire extinguishers and nozzles to be used for various types of fires will be established by May 1, 1976.

With respect to your request in the referenced letter to re-evaluate the date for full implementation of the DAEC Fire Plan, the following information is provided:

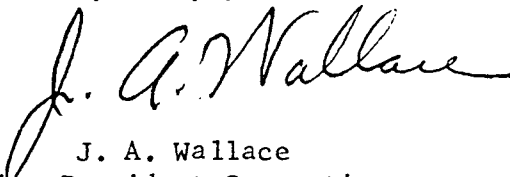

- a) The DAEC Fire Plan will be approved for use on July 1, 1976. This date is the same date as stated in our letter dated January 7, 1976.

MAR

February 26, 1976

- b) The training, equipping and full implementation of the DAEC Fire Plan will be completed by August 1, 1976. A later date of September 1, 1976 was stated in our January 7, 1976 letter.

Very truly yours,

J. A. Wallace
Vice President-Generation
