Ref: Letter to Gaston Fiorelli from Lee Liu
dated March 7, 1977
File: A-107, IR-77-02-C

Dear Mr. Fiorelli:

This is to inform you that due to the postponement of a seminar on ASME Code Compliance, we will be unable to meet the QA Auditor training commitment date presented in the referenced letter. The Auditor was enrolled to attend the seminar on July 25-27, 1977 when we were notified on July 18, 1977 that the seminar was rescheduled to August 15-17, 1977. Consequently the QA Auditor is now scheduled to complete his ASME Code Training by August 17, 1977.

Due to the circumstances involved we request an extension on our commitment for the QA Auditor's ASME Code training from July 27, 1977 to August 17, 1977.

Very truly yours,

Lee Liu
Vice President-Engineering
